

Company Formation in Dubai, UAE | Start Your Business with Recordac

Dubai has become one of the world's leading business destinations, offering unmatched opportunities for entrepreneurs, startups, and established corporations. With its strategic location, tax-friendly environment, and modern infrastructure, the UAE provides a powerful platform for global business success.

At Recordac, we specialize in [company formation in Dubai](#), guiding you through every step of setting up your business in the UAE from choosing the right business structure to obtaining licenses and visas. Our goal is to make the process seamless, efficient, and fully compliant with UAE laws.

Why Choose Dubai for Company Formation?

Dubai is not just a city; it's a gateway to international markets. Investors and entrepreneurs choose Dubai because of its:

- **100% foreign ownership** in most free zones and many mainland sectors
- **Tax advantages** – 0% corporate and personal income tax in many jurisdictions
- **Global connectivity** – world-class ports, airports, and logistics infrastructure
- **Stable political and economic environment**
- **Supportive government policies** that encourage innovation and foreign investment

Whether you're launching a new startup, opening a branch office, or expanding your global operations, Dubai offers a thriving ecosystem to grow your business.

Types of Company Formation in Dubai

Choosing the right company structure is crucial. Recordac helps you decide between the following options:

1. Mainland Company

A **mainland company** allows you to trade directly within the UAE market and take on government contracts. With recent reforms, many mainland businesses can now enjoy **100% foreign ownership**, depending on the activity.

2. Free Zone Company

Dubai has over **40 free zones**, each offering unique advantages like **full ownership**, **tax exemptions**, and **customs benefits**. Ideal for international trading, consulting, or e-commerce businesses.

3. Offshore Company

An **offshore company** in the UAE is perfect for holding assets, protecting wealth, or conducting business internationally without a physical office in the UAE.

Steps to Set Up a Company in Dubai with Recordac

Setting up a company in Dubai involves several key steps. Recordac simplifies the entire process into a few easy stages:

- 1. Choose Your Business Activity**

We help you select the right category from over 2,000 business activities recognized in the UAE.

- 2. Select the Legal Structure**

Depending on your goals, you can form an LLC, branch office, sole proprietorship, or free zone entity.

- 3. Reserve a Trade Name**

Recordac assists with name reservation and ensures compliance with the UAE naming regulations.

- 4. Obtain Initial Approvals**

We coordinate with government departments such as DED (Department of Economic Development) or the relevant Free Zone Authority.

- 5. Prepare Legal Documents & Contracts**

Our legal team drafts and notarizes all required documents professionally.

- 6. Secure a Business License**

Once approvals are obtained, we deliver your official **Dubai business license**—your gateway to operating legally in the UAE.

7. **Open a Corporate Bank Account**

Recordac partners with top UAE banks to make the account opening process simple and efficient.

8. **Visa & Immigration Services**

We help you, your partners, and your employees get UAE residence visas without hassle.
